Dear Commissioners:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

2-D September 30, 2014

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

**APPROVE A COMMUNITY DEVELOPMENT BLOCK GRANT REIMBURSABLE CONTRACT
WITH THE SAN GABRIEL VALLEY CONSERVATION CORPS
(DISTRICT 5) (3 VOTES)**

SUBJECT

This letter recommends approval of Community Development Block Grant (CDBG) Reimbursable Contract between the County of Los Angeles and the San Gabriel Valley Conservation Corps (SGVCC) in the amount of \$212,000 for the SGVCC Handyworker Program.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the approval of a CDBG Reimbursable Contract between the County of Los Angeles and the San Gabriel Valley Conservation Corps for its Handyworker Project is not subject to the provisions of the California Environmental Quality Act (CEQA), as described herein, because the activities are not defined as a project under CEQA.
2. Approve a CDBG Reimbursable Contract with San Gabriel Valley Conservation Corps, attached in substantially final form, for their Handyworker Project, using \$212,000 in CDBG funds allocated to the Fifth Supervisorial District, following approval as to form by County Counsel and execution by all parties, through June 30, 2015.
3. Instruct the Executive Director, or his designee, to execute the standard CDBG Reimbursable Contract on behalf of the County of Los Angeles, following approval as to form by County Counsel.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

SGVCC educates and develops at-risk youth by providing academic, vocational, and leadership training while employing them to provide improvement and conservation services in their communities. SGVCC performs civic service projects such as construction and rehabilitation of affordable housing. SGVCC will provide minor home repair services to eligible low- and moderate-income homeowners of the unincorporated areas of the Fifth Supervisorial District. SGVCC is located at 3629 Cypress Ave., El Monte, CA.

FISCAL IMPACT/FINANCING

There is no impact on the County general fund. The proposed CDBG Reimbursable Contract will be funded with \$212,000 in CDBG funds allocated to the Fifth Supervisorial District. There are sufficient CDBG funds included in the Commission's approved Fiscal Year 2014-2015 budget for the expenses related to this project.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Previously, handyworker services were provided in the Fifth Supervisorial District by The Human Services Consortium of the East San Gabriel Valley (LA Works). However, this agency lost funding which forced it to cease operations. To maintain the continuity of Handyworker services in the unincorporated areas of the Fifth Supervisorial District, SGVCC was selected due to its demonstrated capacity and ability to provide these services.

On May 27, 2014, your Board approved the 2014-2015 One-Year Action Plan (Action Plan) for the Fortieth Program Year (July 1, 2014 through June 30, 2015) to receive CDBG funds from the U.S. Department of Housing and Urban Development (HUD). The Action Plan contains the County's One-Year Plan to carry out housing and community development activities funded by the CDBG program. The proposed CDBG Reimbursable Contract is consistent with the purposes set forth in the Action Plan.

Should SGVCC require additional or replacement personnel after the effective date of this CDBG Reimbursable Contract, they shall give consideration for any such employment openings to participants in the County's Department of Public Social Services' Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the agency's minimum qualifications for the positions in question.

ENVIRONMENTAL DOCUMENTATION

This project is exempt from the provisions of the National Environmental Policy Act pursuant to 24 Code of Federal Regulations, Part 58, Section 58.34 (a)(4) because it involves public service activities that will not have a physical impact on or result in any physical changes to the environment. These activities are not subject to the provisions of CEQA pursuant to State CEQA Guidelines 15060(c)(3) and 15378 because they are not defined as a project under CEQA and do not have the potential for causing a significant effect on the environment.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The project meets the HUD national objective of serving low- and moderate-income persons.

The Honorable Board of Supervisors

9/30/2014

HUD guidelines on LEP were published in the Federal Register on January 22, 2007, and were effective February 21, 2007. - e. The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including sub-contracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

10. TERMINATION FOR FAILURE TO COMPLY WITH FEDERAL AND COUNTY LOBBYIST REQUIREMENTS. Failure on the part of the Operating Agency and/or its Lobbyist(s) to fully comply with said Federal and County Lobbyist Requirements shall constitute a material breach of the Contract upon which the County may immediately terminate this Contract, and the Operating Agency shall be liable for any and all damages incurred by the County and/or any Federal agency as a result of such breach

This requirement will pertain to construction contracts awarded to Operating Agencies and subcontractors in excess of \$2,000, and in excess of \$2,500 for other contracts which involve the employment of mechanics and laborers.

13. SEVERABILITY. In the event that any provision herein contained is held to be invalid, void, or illegal by any court of competent jurisdiction, the same shall be deemed severable from the remainder of this Contract and shall in no way affect, impair, or invalidate any other provision contained herein. If any such provision shall be deemed invalid due to its scope of breadth, such provision shall be deemed valid to the extent of the scope of breadth permitted by law.
14. INTERPRETATION. No provision of this Contract shall be interpreted for or against either party because that party or that party's legal representative drafted such provision, but this Contract is to be construed as if both parties drafted it hereto.
15. WAIVER. No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. Failure of the Operating Agency to comply with the requirements of this Section shall constitute a material breach of contract upon which the Commission, through its Executive Director or his designee may cancel, terminate, or suspend this Contract.

17. REVERSION OF ASSETS. Upon expiration or termination of this Contract, the Operating Agency shall immediately transfer to the County any remaining CDBG funds on hand at the time of expiration or termination and any accounts receivable attributable to the use of CDBG funds. 18. PROGRAM INCOME. Program income shall be returned monthly during the duration of this Contract. Upon termination of this Contract, the County reserves the right to determine the final disposition of any program income, as described in 24 CFR Section 570.504 accumulated under the project(s) set forth in Exhibit A. 24. CITIZEN PARTICIPATION. All program data necessary to provide reports to citizens will be made available by the Operating Agency. Discussions will be held often enough so that the Operating Agency will be adequately apprised of citizen recommendations during the course of the program. The Operating Agency representatives shall be available to respond to questions and receive recommendations at local meetings when so requested by the Executive Director or his designee.
25. REVENUE DISCLOSURE REQUIREMENT. Upon request, the Operating Agency shall file with the County a written statement listing all revenue received,

or expected to be received, by the Operating Agency from Federal, State, City or County sources, or other governmental agencies, and applied for, or expected to be applied for, to offset, in whole or in part, any of the costs incurred by the Operating Agency in conducting current or prospective projects or business activities, including, but not necessarily limited to, the project or business activity which is the subject of this Contract. Such statement shall reflect the name and a description of such business activity, the dollar amount of funding provided, or to be provided, by each and every governmental agency for each such project or business activity, and the full name and address of each governmental agency. A building or facility designed, constructed, or altered with funds allocated or reallocated under this part after December 11, 1995, and that meets the definition of residential structure as defined in 24 CFR Section 40.2 or the definition of building as defined in 41 CFR Part 101, is subject to the requirements of the Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) and shall comply with the Uniform Federal Accessibility Standards (Appendix A to 24 CFR Part 40 for residential structures and Appendix A to 41 CFR Parts 101-19 for general type buildings). The Americans with Disabilities Act (42 U.S.C. Section 12131; 47 U.S.C. Sections 155.201, 218 and 225) (ADA) provides comprehensive civil rights to individuals with disabilities in the areas of employment, public accommodations, State and local government services, and telecommunications. It further provides that discrimination includes a failure to design and construct facilities for first occupancy after January 26, 1993 that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable--that is, easily accomplishable and able to be carried out without much difficulty or expense.

This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
 - h. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Operating Agency shall give the CDC immediate notice of any insurance claim or loss which may be covered by the insurance policy. The Operating Agency represents and warrants that the insurance coverage required herein will also be provided by any entities with which the Operating Agency contracts, as detailed below. All **Certificates of Insurance** and additional insured endorsements shall carry the following

information: *Agency Name, Address, and Project Name and Number.*

The insurance policies set forth herein shall be the primary and non-contributory insurance with respect to the CDC. The insurance policies shall contain a waiver of subrogation for the benefit of the CDC. Failure on the part of the Operating Agency, and/or any entities with which the Operating Agency contracts, to procure or maintain the insurance coverage required herein may, upon the CDC's sole discretion, constitute a material breach of this contract pursuant to which the CDC may immediately terminate this contract and exercise all other rights and remedies set forth herein, at its sole and absolute discretion, and without waiving such default or limiting the rights or remedies of the CDC, procure or renew such insurance and pay any and all premiums in connection therewith and all monies so paid by the CDC shall be immediately repaid by the Operating Agency to the CDC upon demand including interest thereon at the default rate. In the event of such a breach, the CDC shall have the right, at its sole election, to participate in and control any insurance claim, adjustment, or dispute with the insurance carrier. The Operating Agency's failure to assert or delay in asserting any claim shall not diminish or impair the CDC's rights against the Operating Agency or the insurance carrier.

When the Operating Agency, or any entity with which the Operating Agency contracts, is naming the CDC, HA, and/or the County as an additional insured on any of the insurance policies set forth herein, then the additional insured endorsement shall contain language similar to the language contained in ISO form CG 20 10 11 85. In the alternative and in the CDC's sole and absolute discretion, it may accept both CG 20 10 10 01 and CG 20 37 10 01 in place of CG 20 10 11 85.

Any failure to maintain the insurance required herein, may be deemed, at the sole discretion of the CDC, a material breach of this contract. No funds will be advanced, reimbursed, or disbursed until all of the above mentioned insurance requirements have been met. There absolutely will be no reimbursement of costs for the default and cure periods.

Exceptions to the insurance requirements as set forth herein, will be granted only on a case by case basis. Prior to the Operating Agency receiving funds, the CDC or the HA will review the activities of the Operating Agency. Those Operating Agencies whose activities present no meaningful exposure to the CDC, the HA and/or the County (as determined solely by the CDC Risk Management Administrator) may have certain insurance coverages waived by the CDC Risk Management Administrator upon the written request of the Operating Agency and CDC Risk Management Administrator's approval of such.

The following insurance policies shall be obtained and maintained by the Operating Agency, and any entity with which the Operating Agency contracts, for the duration of this contract, unless set forth otherwise herein:

BACKGROUND AND RESOURCES: CALIFORNIA CHARITIES REGULATION

There is a keen public interest in preventing misuse of charitable contributions. California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates those raising and receiving charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) tightened Charitable Purposes Act requirements for charitable organization administration and fundraising.

The Charitable Purposes Act rules cover California public benefit corporations, unincorporated associations, and trustee entities. They may include similar foreign corporations doing business or holding property in California. Generally, an organization is subject to the registration and reporting requirements of the Charitable Purposes Act if it is a California nonprofit public benefit corporation or is tax exempt under Internal Revenue Code § 501(c)(3), and not exempt from reporting under Government Code § 12583. Most educational institutions, hospitals, cemeteries, and religious organizations are exempt from Supervision of Trustees Act requirements.

Key new Charitable Purposes Act requirements affect executive compensation, fundraising practices and documentation. Charities with over \$2 million of revenues (excluding grants and service-contract funds a governmental entity requires to be accounted for) have new audit requirements. Charities required to have audits must also establish an audit committee whose members have no material financial interest in any entity doing business with the charity.

Organizations or persons that receive or raise charitable contributions are likely to be subject to the Charitable Purposes Act. A bidder/proposer on Commission and/or Housing Authority contracts must determine if it is subject to the Charitable Purposes Act and certify either that:

- It is not presently subject to the Act, but will comply if later activities make it subject, or,
- If subject, it is currently in compliance.

RESOURCES

The following resource references are offered to assist bidders/proposers who engage in charitable contributions activities, however, each bidder/proposer is responsible to research and determine its own legal obligations and properly complete the Charitable Contributions Certification form.

In California, supervision of charities is the responsibility of the Attorney General, whose website, <http://caag.state.ca.us/>, contains much information helpful to regulated charitable organizations.

1. LAWS AFFECTING NONPROFITS

The "Supervision of Trustees and Fundraisers for Charitable Purposes Act" is found at California Government Code §§ 12580 through 12599.7. Implementing regulations are found at Title 11, California Code of Regulations, §§ 300 through 312. In California, charitable solicitations ("advertising") are governed by Business & Professions Code §§ 17510 through 17510.95. Regulation of nonprofit corporations is found at Title 11, California Code of Regulations, §§ 999.1 through 999.5. (Amended regulations are pending.)
